

OYC TODAY

A PUBLICATION FOR MEMBERS AND FRIENDS OF THE OZARK YACHT CLUB – OCTOBER 2010

Cold Weather Approaching

As the summer season comes to an end, we are oftentimes left thinking about the memories we created and new friends we made over the past few months. Which leaves little time to think about what needs to be done to protect our investment over the long winter.

Here at OYC, we strive to offer our members and friends a premier service environment. We want to remind everyone to start thinking about scheduling winterization services. Missouri weather can be unpredictable, therefore you do not want to get caught in the snow!

For your winterization convenience, we offer complete boat and PWC winterization, oil changes, engine tune-ups, pump outs, dry storage and more.

For a complete list of services and the fax form please visit our website at www.ozarkyachtclub.com. To schedule your service, please call Debra at 573-552-8401 or fax the online service agreement to 573-552-8402.

OYC Property Expanding

In early September we finalized the purchase of an additional 14 acres of land adjacent to the current service building. The transaction extends the OYC shoreline to about 1,600 feet and opens new opportunities to enhance our members' and guests' recreational experience.

Some of the following added amenities are now being explored with OYC members, facility planners and engineers:

- ◆ Refined appearance of the added shoreline
- ◆ OYC entrance directly on Bagnell Dam Blvd.
- ◆ About 75 loosely spaced boat slips
- ◆ Open and covered dry storage
- ◆ Sand, beach and swimming area in protected cove
- ◆ Adult (volleyball, etc.) and children's play ground
- ◆ Walking & bicycle paths
- ◆ Lots of trees and landscaping
- ◆ Villas for year-around and occasional guest use

Naturally, we will be delighted to learn any ideas you may wish to share with us; just pass them on to any of the staff.

Football On Jumbo Screen

If you aren't lucky enough to have tickets to watch your favorite team, then join us in the Anchor Room each Saturday from 12-6pm for the big game! We will have College Football games on the big screen and the bar open for your refreshment needs. You will be able to relax and enjoy the game while the surround sound allows you to hear every tackle, almost as good as being at the game.

In Living Color

For added excitement during the football season and upcoming OYC events, we are installing a powerful theater system featuring the latest 7,000-lumen AV technology for the jumbo screen in the Anchor Room. Current plans call for inauguration of the new system at the OYC Ghouls Party on October 30 and the football games thereafter. Don't forget, reserve the Anchor Room today for your special event. We are now accepting reservations for holiday parties and banquets.

OYC Named Catalina Dealer

In summer of 2010 OYC was named an Authorized Dealer of Catalina Yachts, the largest US manufacturer of sailboats, assuming the dealership formerly held by St. Louis Sailing Center.

Catalina's product line covers the full spectrum of boats ranging from the luxurious 47ft flagship (fits under the Community bridge with just inches to spare) all the way to an 8ft dinghy for children and nimble adults. Currently we carry the 8ft. Sabot, 12.5 Expo, 16.5 day sailor and 309 cruiser.

Incidentally, when comparing the size of sail vs power boats, one might think of sailboats as 20-30% larger than they actually are. To wit, a 45ft sailboat is likely suitable for ocean crossings.

In October, we visited the Annapolis Boat Show to preview the new Catalina 355 which we plan to display at the upcoming St. Louis and Overland Park Boat shows.

Stay tuned to hear the new and exciting information we will have to report.

OYC Products

We have just added a new link on our website to display OYC products. We have various items from our OYC Burgee, OYC logo paddles, aluminum koozies, leather coasters, shirts, hats, aprons and bags.

New for this year are custom wood shelving, a unique

drink and accessory tray, Alphabet Stones (an exciting table top game for ages 6 to 96, and the Pirate Ship, all hand-crafted in the OYC's woodworking shop, great gift ideas for the boaters in your family. Think OYC for your holiday shopping needs!

OYC Member Lockers

Where can you store your belongings while enjoying the fitness facility or a relaxing afternoon at the pool? Well, new for this fall, OYC has installed hand-crafted wooden lockers near the dressing rooms and laundry facility.

Currently, we have 27 lockers available. The convenient location and size provides the ability to store your personal items, laundry soap, clothes, etc. You will never have to worry about forgetting the shampoo again!

Rent one by the month for \$7.00 or by the year for \$72.00. Feel free to contact us with any questions.

2nd Annual Ozark Cup Regatta

On October 2nd 2010, ten boats participated in the 2nd Annual Ozark Cup Regatta sponsored by OYC and the Ozark Sailing Club.

The weather conditions could not have been any better with lots of sunshine, temperatures in the 70s and winds of 10-20 knots from the northwest hosting a race course from the 1-MM to near Atlantis Island and back to the finish line directly in front of OYC dock Z.

Gusts up to 35mph made for fast racing with many round-ups and near knock downs.

However the intrepid sailors forged on, completing three races. The fleet was divided into two divisions at the 175 PHRF, leaving only Enzian and High Noon in the first division and all others in the second. Enzian won the day, winning two of the three races, but only beating High Noon by three seconds in one of those wins. Enzian had a new clean bottom with two coats of new paint expertly applied by the OYC service department.

The second division was won decisively by Catch 22 under skipper Ray Keith of St. Louis.

The fun day was wrapped up with an open bar, a delicious dinner produced by OYC chef Teresa, awards ceremonies, and live entertainment by the Moon Dogs.

The two travelling trophies for fastest overall absolute and corrected time went to *Enzian* and are now on display at the OYC Café.
